What you must tell us

When we are considering your alteration to your cover we need to know exactly what risk we are to insure. This helps us to decide how much to charge and whether any special rules should apply. You must answer all the questions on this declaration completely and accurately and tell us anything you know which will be relevant to our decision, or which a reasonable person in the circumstances could be expected to know would be relevant to our decision.

This duty continues until we confirm the change to non-smoker status. If you fail to comply we may cancel your cover (as permitted by law) or reduce the amount we pay.
