## 1. ABOUT THIS DOCUMENT

This Target Market Determination (TMD) is required under section 994B of the *Corporations Act 2001* (Cth). It sets out the target market for the product, triggers to review the target market and certain other information. It forms part of NobleOak Life Limited's design and distribution framework for the product.

This document is **not** a product disclosure statement, and is **not** a summary of the product features or terms of the product. This document does not take into account any person's individual objectives, financial situation or needs. Persons interested in acquiring this product should carefully read the Product Disclosure Document for **My Protection Plan Life Insurance** before making a decision whether to buy this product.

## 2. CLASS OF CUSTOMERS THAT FALL WITHIN THIS TARGET MARKET

The information below summarises the class of customers that fall within the target market for the My Protection Plan Life Insurance product, based on their likely objectives, financial situation and needs that this product has been designed to meet.

### Class of consumers

- Mass market.
- Consumers with simple financial needs compatible with General Advice, who do not require Personal Advice.
- Current age from 16 to 74 for new applicants.
- Maximum available cover limit of up to \$25 million, subject to underwriting.
- Consumers that can tolerate changes in premiums over time, including increases.
- Australian resident at the time of application.
- Consumers with an insurable health status (e.g. not terminally ill at the time of application).

The following consumer groups are outside the target market for this product:

- Consumer who are non-residents of Australia.
- Consumers who are outside the current age range (from 16 to 74) at the time of application.
- Consumers with an uninsurable health status.

### Likely objectives and needs of consumers in the target market

To reduce their exposure to the following financial situations:

- The consumer (either the policy owner or the member) has (or envisages that in future they will or may have) outstanding financial or financial-in-kind commitments (including financial commitments to dependents such as spouse or children) that will not be satisfied by their estate in the event of their death. These financial or financial-in-kind commitments include but are not limited to:
  - mortgage and other debt servicing costs, final expenses, and income replacement; and/or

## MY PROTECTION PLAN LIFE INSURANCE Continued

- The consumer (either the policy owner or the member) has (or envisages that in future they will or may have) outstanding financial or financial-in-kind commitments (including financial commitments to dependents such as spouse or children) that will not be satisfied in the event of their terminal illness (where applicable under the product terms). These financial or financial-in-kind commitments include but are not limited to:
  - medical costs, transportation and accommodation costs, and personal and palliative care; and/or
- The consumer (either the policy owner or the member) has (or envisages that in future they will or may have) financial commitments, where the fulfilment of those commitments ensures that their business continues with less financial disruption upon the loss of a key person, or to ensure business succession in the event that a business owner leaves the business due to death or, if applicable, terminal illness.

### Financial situation of consumers in the target market

A consumer who:

- is earning income;
- has personal savings;
- has superannuation; or
- Otherwise has financial capacity (e.g. family or other relationships)

to pay premiums (which may vary from time to time) in accordance with the chosen premium structure to retain the product for the period of time it is intended to be held.

## 3. PRODUCT DESCRIPTION AND KEY ATTRIBUTES

### Product description

**My Protection Plan Life Insurance** provides a lump sum payment in the event:

- (a) the life insured dies; or
- (b) the life insured meets the definition of a terminal illness

in accordance with the terms and conditions outlined in the Product Disclosure Statement (PDS).

### Key attributes

Key attributes of **My Protection Plan Life Insurance** include:

- *The payment of premiums* – if premiums are not paid when due, the policy may lapse in which case the policyowner would no longer be covered and cannot make a claim.
- *Premium structure* – premiums can change over time.
- *Eligibility criteria* – certain persons may be ineligible for cover if they do not meet the following key eligibility criteria at the time of application, including the:
  - age
  - health status
  - financial status, and
  - residency statusof the life to be insured.

---

## MY PROTECTION PLAN LIFE INSURANCE Continued

- *Underwriting process* – NobleOak's **My Protection Plan Life Insurance** is a fully-underwritten product. The underwriting process may require additional financial and medical information, including a medical report from the life to be insured's treating doctor(s) and/or medical screening tests. The underwriting process could result in an increase in the price of the product, limitations to the sum insured, special terms and conditions applied to cover, or declining cover. This product is not appropriate for consumers who are unwilling or unable to participate in the underwriting process and related medical requirements, and/or consumers who may require personal advice during the underwriting process.
- *Exclusions* – the following key product exclusion applies: Suicide occurring within 13 months following the commencement, reinstatement or increase of the insurance cover (but only to the extent of that increase).\*

### Product's appropriateness for the target market

Broadly, the target market comprises those who have or expect to have outstanding financial commitments that will not be satisfied in the event of their own or another person's (i.e. the life insured's) death or terminal illness and who have a capacity to pay potentially variable premiums on an ongoing basis. As the product pays a lump sum on death or terminal illness it is therefore likely to meet the needs, or go towards meeting the needs, of those in the target market.

This product is not appropriate for consumers who are unable or unwilling to participate in NobleOak's underwriting process, or who may require personal advice during the underwriting process.

## 4. HOW THIS PRODUCT IS TO BE DISTRIBUTED

The following Distribution Conditions apply to this product:

### Underwriting and Disclosure

- Issuing a policy is subject to:
  - full underwriting including medical and financial underwriting assessment, as applicable; and
  - complying with the disclosure requirements under the relevant legislation.

### Distribution not under personal advice

- This product may only be distributed to consumers under General Advice. No personal advice is to be provided to a consumer at any point in the distribution process.
- This product may only be distributed through the following channels:
  - NobleOak's Call Centre: in-bound calls by self-directed consumers or outbound calls in response to quote requests, with no outbound 'cold' calling or sales. Call centre distribution must comply with authorised call scripts and processes.
  - Online distribution: in-bound requests by self-directed consumers through NobleOak's online distribution partners, following self-assessment with relevant qualifying questions.

Consumers are more likely to be in the target market if the product is distributed in alignment with the issuer's distribution conditions as outlined relating to the relevant distribution channel.

---

\* The 13-month suicide exclusion may not be applicable to replacement Life Insurance cover provided certain terms and conditions are met – please refer to the PDS for further details.

# MY PROTECTION PLAN DISABILITY INCOME INSURANCE

Continued

## Likely objectives and needs of consumers in the target market

To reduce their exposure to the following financial situations:

- The consumer (the policy owner) has (or envisages that in future they will or may have) a need to replace their income in the event that they are unable to earn their income (or are only able to earn a lower income) due to an event which causes them to be unable to earn their pre-disability income, whether due to sickness, illness or accident.

## Financial situation of consumers in the target market

A consumer who:

- is earning income;
- has personal savings;
- has superannuation; or
- otherwise has financial capacity (e.g. family or other relationships)

to pay premiums (which may vary from time to time) in accordance with the chosen premium structure to retain the product for the period of time it is intended to be held.

## 3. PRODUCT DESCRIPTION AND KEY ATTRIBUTES

### Product description

**My Protection Plan Disability Income Insurance** replaces a portion of pre-disability income, in accordance with the terms and conditions outlined in the Product Disclosure Statement (PDS).

### Key attributes

Key attributes of **My Protection Plan Disability Income Insurance** include:

- *The payment of premiums* – if premiums are not paid when due, the policy would lapse, in which case the policyowner would no longer be covered and cannot make a claim.
- *Premium structure* – premiums can change over time.
- *Eligibility criteria* – certain consumers may be ineligible for cover if they do not meet the following key eligibility criteria at the time of application, including the:
  - age
  - pastimes
  - health status
  - employment status
  - financial status, and
  - residency status

of the life to be insured.

- *Underwriting process* – NobleOak's **My Protection Plan Disability Income Insurance** is a fully-underwritten product. The underwriting process may require additional financial, occupational, pastimes and medical information, including a medical report from the life to be insured's treating doctor(s) and/or medical screening tests. The underwriting process could result in an increase in the price of the product, limitations to the sum insured, special terms and conditions applied to cover, or declining cover. This product is not appropriate for consumers who are unwilling or unable to participate in the underwriting process and related medical requirements, and/or consumers who may require personal advice during the underwriting process.

## 1. ABOUT THIS DOCUMENT

This Target Market Determination (TMD) is required under section 994B of the *Corporations Act 2001* (Cth). It sets out the target market for the product, triggers to review the target market and certain other information. It forms part of NobleOak Life Limited's design and distribution framework for the product.

This document is **not** a product disclosure statement, and is **not** a summary of the product features or terms of the product. This document does not take into account any person's individual objectives, financial situation or needs. Persons interested in acquiring this product should carefully read the Product Disclosure Document for **My Protection Plan Trauma Insurance** before making a decision whether to buy this product.

## 2. CLASS OF CUSTOMERS THAT FALL WITHIN THIS TARGET MARKET

The information below summarises the class of customers that fall within the target market for the My Protection Plan Trauma Insurance product, based on their likely objectives, financial situation and needs that this product has been designed to meet.

### Class of consumers

- Mass market.
- Consumers with simple financial needs compatible with General Advice, who do not require Personal Advice.
- Current age from 18 to 59 for new applicants.
- Maximum available cover amount of up to \$2 million, subject to underwriting.
- Consumers that can tolerate changes in premiums over time, including increases.
- Australian resident at the time of application.
- Consumers with an insurable health status (e.g. not diagnosed with a Trauma Event at the time of application).

The following consumer groups are outside the target market for this product:

- Consumer who are non-residents of Australia.
- Consumers who are outside the current age range (from 18 to 59) at the time of application.
- Consumers with an uninsurable health status.

---

## MY PROTECTION PLAN TRAUMA INSURANCE Continued

### Likely objectives and needs of consumers in the target market

To reduce their exposure to the following financial situations:

- The consumer (the policy owner) has (or envisages that in future they will or may have) outstanding financial or financial-in-kind commitments (including financial commitments to dependents such as spouse or children) that will not be satisfied in the event that they meet the definition of a Trauma Event (also known as Critical Illness). These financial or financial-in-kind commitments include but are not limited to:
  - mortgage and other debt servicing costs, out-of-pocket medical expenses not covered by Medicare and/or health insurance, transportation and accommodation costs, personal and palliative care, and income replacement; and/or
- The consumer (either the policy owner) has (or envisages that in future they will or may have) financial commitments, where the fulfilment of those commitments ensures that their business continues with less financial disruption upon the loss of a key person, or to ensure business succession in the event that a business owner leaves the business due to a Trauma Event.

### Financial situation of consumers in the target market

A consumer who:

- is earning income;
- has personal savings; or
- otherwise has financial capacity (e.g. family or other relationships)

to pay premiums (which may vary from time to time) in accordance with the chosen premium structure to retain the product for the period of time it is intended to be held.

## 3. PRODUCT DESCRIPTION AND KEY ATTRIBUTES

### Product description

**My Protection Plan Trauma Insurance** provides a lump sum payment in the event the life insured meets the definition of a Trauma Event, in accordance with the terms and conditions outlined in the Product Disclosure Statement (PDS).

### Key attributes

Key attributes of **My Protection Plan Trauma Insurance** include (one or more of the following):

- *The payment of premiums* – if premiums are not paid when due, the policy may lapse in which case the policyowner would no longer be covered and cannot make a claim.
- *Premium structure* – premiums can change over time.
- *Eligibility criteria* – certain persons may be ineligible for cover if they do not meet the following key eligibility criteria at the time of application, including the:
  - age
  - health status
  - financial status, and
  - residency statusof the life to be insured.

---

## MY PROTECTION PLAN TRAUMA INSURANCE Continued

- *Underwriting process* – NobleOak's **My Protection Plan Trauma Insurance** is a fully-underwritten product. The underwriting process may require additional financial and medical information, including a medical report from the life to be insured's treating doctor(s) and/or medical screening tests. The underwriting process could result in an increase in the price of the product, limitations to the sum insured, special terms and conditions applied to cover, or declining cover. This product is not appropriate for consumers who are unwilling or unable to participate in the underwriting process and related medical requirements, and/or consumers who may require personal advice during the underwriting process.
- Meeting severity and/or medical treatment requirements as part of the relevant Trauma Event definition.
- *Exclusions* – the following key product exclusion applies: a Trauma Event is caused or contributed to by intentional self-inflicted injury or intended suicide by the Life Insured whether sane or insane within 13 months following the commencement, reinstatement or increase of the insurance cover (but only to the extent of that increase).

### Product's appropriateness for the target market

Broadly, the target market comprises those who have or expect to have outstanding financial commitments that will not be satisfied in the event of their own or another person's (i.e. the life insured's) suffering a Trauma Event\*, and who have a capacity to pay potentially variable premiums on an ongoing basis. As the product pays a lump sum on the life insured suffering a Trauma Event\*, it is therefore likely to meet the needs, or go towards meeting the needs, of those in the target market.

This product is not appropriate for consumers who are unable or unwilling to participate in NobleOak's underwriting process, or who may require personal advice during the underwriting process.

## 4. HOW THIS PRODUCT IS TO BE DISTRIBUTED

The following Distribution Conditions apply to this product:

### Underwriting and Disclosure

- Issuing a policy is subject to:
  - full underwriting including medical and financial underwriting assessment, as applicable; and
  - complying with the disclosure requirements under the relevant legislation.

### Distribution not under personal advice

- This product may only be distributed to consumers under General Advice. No personal advice is to be provided to a consumer at any point in the distribution process.
- This product may only be distributed through the following channels:
  - NobleOak's Call Centre: in-bound calls by self-directed consumers or outbound calls in response to quote requests, with no outbound 'cold' calling or sales. Call centre distribution must comply with authorised call scripts and processes.
  - Online distribution: in-bound requests by self-directed consumers through NobleOak's online distribution partners, following self-assessment with relevant qualifying questions.

Consumers are more likely to be in the target market if the product is distributed in alignment with the issuer's distribution conditions as outlined relating to the relevant distribution channel.

---

\* A reference to Trauma Event means meeting all the required criteria as set out in the PDS for the specific Trauma Events.

# MY PROTECTION PLAN TOTAL AND PERMANENT DISABILITY (TPD) INSURANCE Continued

## Likely objectives and needs of consumers in the target market

To reduce their exposure to the following financial situations:

The consumer (either the policy owner or the member) has (or envisages that in future they will or may have) outstanding financial commitments that will not be satisfied should they (or the life insured) suffer a total and permanent loss of limbs and/or sight, or be incapable of engaging in:

- their Own occupation, or
- Any occupation, or
- Domestic Duties, or
- independent living

due to total and permanent disablement.

These financial or financial-in-kind commitments include, but are not limited to, mortgage and other debt servicing costs, income or revenue replacement, medical and rehabilitation costs, transportation and accommodation costs, personal care, palliative care, business commitments and/or business succession funding costs.

## Financial situation of consumers in the target market

A consumer who:

- is earning income;
- has personal savings;
- has superannuation; or
- otherwise has financial capacity (e.g. family or other relationships)

to pay premiums (which may vary from time to time) in accordance with the chosen premium structure to retain the product for the period of time it is intended to be held.

## 3. PRODUCT DESCRIPTION AND KEY ATTRIBUTES

### Product description

**My Protection Plan Total and Permanent Disability (TPD) Insurance** provides a lump sum payment in the event the life insured meets the definition of permanent disability meaning:

- they cannot work again in their own occupation, or any other occupation for which they are reasonably qualified by education, training or experience (depending on type of TPD cover chosen) or
- they are never again be able to perform their usual unpaid Domestic Duties, or
- after turning age 65, they suffer a total and permanent loss of independent, or they suffer a total and permanent loss of limbs and/or sight

in accordance with the terms and conditions outlined in the Product Disclosure Statement (PDS).

### Key attributes

Key attributes of **My Protection Plan Total and Permanent Disability (TPD) Insurance** include (one or more of the following):

- *The payment of premiums* – if premiums are not paid when due, the policy may lapse in which case the policyowner would no longer be covered and cannot make a claim.
- *Premium structure* – premiums can change over time.

---

# MY PROTECTION PLAN TOTAL AND PERMANENT DISABILITY (TPD) INSURANCE Continued

- *Eligibility criteria* – certain persons may be ineligible for cover if they do not meet the following key eligibility criteria at the time of application, including the:
  - age
  - health status
  - financial status, and
  - residency statusof the life to be insured.
- *Underwriting process* – NobleOak's **My Protection Plan Total and Permanent Disability (TPD) Insurance** is a fully-underwritten product. The underwriting process may require additional financial and medical information, including a medical report from the life to be insured's treating doctor(s) and/or medical screening tests. The underwriting process could result in an increase in the price of the product, limitations to the sum insured, special terms and conditions applied to cover, or declining cover. This product is not appropriate for consumers who are unwilling or unable to participate in the underwriting process and related medical requirements, and/or consumers who may require personal advice during the underwriting process.
- *Exclusions* – the following key product exclusion applies: Total and Permanent Disablement caused or contributed to by any intentional self-injury or intended suicide irrespective of whether sane or insane within 13 months from commencement, reinstatement or increase of the insurance cover (but only to the extent of that increase).

## Product's appropriateness for the target market

Broadly, the target market comprises those who have or expect to have outstanding financial commitments that will not be satisfied in the event of their own or another person's (i.e. the life insured's) total and permanent disablement and who have a capacity to pay potentially variable premiums on an ongoing basis. As the product pays a lump sum on total and permanent disablement it is therefore likely to meet the needs, or go towards meeting the needs, of those in the target market.

This product is not appropriate for consumers who are unable or unwilling to participate in NobleOak's underwriting process, or who may require personal advice during the underwriting process.

## 4. HOW THIS PRODUCT IS TO BE DISTRIBUTED

The following Distribution Conditions apply to this product:

### Underwriting and Disclosure

- Issuing a policy is subject to:
  - full underwriting including medical and financial underwriting assessment, as applicable; and
  - complying with the disclosure requirements under the relevant legislation.

### Distribution not under personal advice

- This product may only be distributed to consumers under General Advice. No personal advice is to be provided to a consumer at any point in the distribution process.
- This product may only be distributed through the following channels:
  - NobleOak's Call Centre: in-bound calls by self-directed consumers or outbound calls in response to quote requests, with no outbound 'cold' calling or sales. Call centre distribution must comply with authorised call scripts and processes.
  - Online distribution: in-bound requests by self-directed consumers through NobleOak's online distribution partners, following self-assessment with relevant qualifying questions.

Consumers are more likely to be in the target market if the product is distributed in alignment with the issuer's distribution conditions as outlined relating to the relevant distribution channel.
